THE SMALL PRINT

- + **Dates do occasionally shift**, and the site is always the current version — check there rather than a screenshot.
- + **Fees run across all twelve months**, holidays included.

+ **Zoom play-alongs** — dates and the joining link are on the site.

If anything looks wrong for your child, tell Oli and he'll check it.

Lessons generally follow Lambeth Council term dates, adjusted where teacher training requires it, and are published a year in advance.
